

WHAT'S THE BUZZ???

Dear Pastor/Children's Leader,

Summer is right around the corner; I hope you find time to relax and enjoy the next several months! If you are like me, there is always something to work on while enjoying the coming summer months. Junior Bible Quiz (JBQ) is one of those things we can work on together!

If your church does not have a Junior Bible Quiz Team, we are here to help you get started. We have sectional representatives, coaches and a JBQ coordinator who are ready to assist your leaders. Churches offer many programs for children, but JBQ is one of the most life-changing venues we can offer.

The National Children's Ministry Agency and Discipleship Agency have credited JBQ as a tremendous and effective tool to disciple children. If we can help one of your leaders put together a JBQ team, please let us know. We are here to connect and inspire your JBQ leader(s)!

My own sons have been involved in Junior and Youth Bible Quizzing in past years; I see now how it has shaped their lives. Consider a JBQ ministry for the children of your church; you can do it, and we can help!

Serving Him, serving you,
