Dear Pastor,

Summer will soon be a memory, and “EQUIP”, our fall lay ministry equipping conference, will soon be upon us! This would be an ideal opportunity for you, your deacons/board members, persons of influence and lay leaders in your church to spend a day preparing for ministry and growing as a team.

We are offering workshop tracks in 8 different areas of interest. Rev. Kristian Walker, who directs our District Worship Compass Ministries, will host the worship and media workshops. We will also have seminars on men’s and women’s ministry, small groups, outreach, youth, children, and disciple-making.

We have enclosed a poster for your teacher’s bulletin board or registration area. Advertise and promote now; you will receive another communication the end of August outlining workshop descriptions and speakers along with a church roster and registration.

The investment is just \$29 per person which includes lunch. Various publishing houses offer training and charge twice as much per person only to place everyone together for the entire day without specialized training in their area of ministry. We want to offer more to you! Pastor, you can train 15 lay volunteer ministers and spend less than a week’s salary for a full time staff pastor. This is the best deal in town! I hope to see you there!

Also enclosed in this communication, you will find a Teacher of the Year Nomination form. If your church has one of those outstanding teachers, let us know. Simply fill out the nomination form and send it in to the A/G national office (address is on the back of the nomination form) by October 1, 2011. Teachers will be selected by the national office.

Please contact us if you have any questions or need any more information.

Serving Him, serving you,

George Krebs
