

CHILDREN'S MINISTRY LEADERSHIP SUMMIT

Children's ministry is more than puppets, stories, games and object lessons. It's about leading kids, volunteers and **YOURSELF**.

What's your plan to **GROW** your leadership?

Great leaders don't get there by accident...great leaders plan for and implement growth!

Are you **GROWING** your leadership gifts?

Here is what you get:

- 2 nights, 5 meals
- Over \$50 in children's ministry resources
- An opportunity to connect with other tremendous children's ministry leaders

Come and develop relationships that will not only benefit your ministry but benefit you as a person!

This event is designed for the Key Leader who gives oversight and leadership to Children's Ministry.

The goal is to strengthen your leadership. We'll study the Holy Spirit's role in leadership growth.

We will look at who we are and how to reflect on our lives to allow the Holy Spirit to grow our leadership even in the most difficult circumstances.

This event takes place at the Bongiorno Conference Center in Carlisle, PA. For more detailed information, please review the following pages. To register, please complete the enclosed registration form and return it to our office with payment or email megan@penndel.org with questions or to register/pay via credit card.
