

Spring 2026

Dear School Faculty & Administration,

It is my hope that you would consider the absence of \_\_\_\_\_ on Monday, March 16, 2026, as an excused absence. We host a retreat in Carlisle, Pennsylvania that is designed specifically for the children of ministers/pastors in our denomination (Assemblies of God) that begins on Saturday, March 14, and ends on Monday, March 16. The activities will include worship services, teaching, team building sports and games, and music. Some of the most profitable times come as the students have the opportunity to interact with one another about the challenges and positives that come with growing up in a minister's/pastor's family.

If your school district allows for religious excused absences, please consider applying that policy here. We do realize that our students that attend this retreat are responsible for any assignments they will miss.

Please do not hesitate to contact me 717.795.5921 if there are any questions or concerns that I can help you with.

Sincerely,

Donald J. Immel, D.Min.

Network Superintendent
